How Mountain Girls Can Love

Instrumental intro leading into chorus

```
C               G
Get down boys, go back home
D                      G
Back to that girl you love
C                 G
Treat her right, never wrong
D                       G
How mountain girls can love

G
I'm ridin' tonight in that high cold wind
       D                          G
on the trail of the old lonesome pine
G
I'm thinking of you, Lord I'm feelin' so blue,
          D                G
Wonderin' why you left me behind
```

Chorus

Instrumental

```
G
Remember the night when we strolled down the lane
    D                          G
Our hearts were gay an' happy then
G
I pulled you close while you whispered low
   D                                  G
We both hoped the night would never end
```
