

# How Mountain Girls Can Love

Instrumental intro leading into chorus

**C** **G**  
Get down boys, go back home  
**D** **G**  
Back to that girl you love  
**C** **G**  
Treat her right, never wrong  
**D** **G**  
How mountain girls can love

**G**  
I'm ridin' tonight in that high cold wind  
**D** **G**  
on the trail of the old lonesome pine  
**G**  
I'm thinking of you, Lord I'm feelin' so blue,  
**D** **G**  
Wonderin' why you left me behind

Chorus

Instrumental

**G**  
Remember the night when we strolled down the lane  
**D** **G**  
Our hearts were gay an' happy then  
**G**  
I pulled you close while you whispered low  
**D** **G**  
We both hoped the night would never end

Chorus

Instrumental

Chorus, repeating last line
