If you love somebody enough

That's how I got to Memphis

That's how I got to Memphis

If you love somebody enough,

You'll go where your heart wants to go

That's how I got to Memphis

That's how I got to Memphis

I know if you've seen her, you'd tell me cause you are my friend
B A E
I've got to find her and find out the trouble she's in...

E A
If you tell me she's not here
E C#m
I'll follow the trail of her tears
F#m A
That's how I got to Memphis
E
That's how I got to Memphis

E A
She would get mad and she used to say
E C#m
She'd go back to Memphis some day
F#m A
That's how I got to Memphis
E
That's how I got to Memphis

E A
I haven't eaten a bite

I haven't slept in three days or nights

That's how I got to Memphis

That's how I got to Memphis

I know if you've seen her, you'd tell me cause you are my friend

I've got to find her and find out the trouble she's in...

Thank you for your precious time

Please forgive me if I start to cry

That's how I got to Memphis

That's how I got to Memphis
